MATTHEW WILSON

FRONT END WEB DEVELOPER

CV

Hi, my name is Matt and I'm an accomplished Front End Web Developer with experience gained from companies such as Google, Yahoo! and AOL. I have a passion for programming semantic front-ends and pushing the boundaries of what can be achieved through digital.

Send me an email on email@email.com or drop me a line on +44 (0) 1234 567 890

EDUCATION

UNIVERSITY OF BRISTOL – 02/06

Computer Science – 2:1 BSc (Hons)

Final Year Project & Dissertation - I created a two-player card game in HTML/CSS & Adobe Flash; the aim of the project was to simulate an intelligent computer player. Both the project and dissertation were completed to first class standards.
